

ALIS BEAUTY CONCIERGE

A PREMIUM MOBILE SERVICE FOR WEDDINGS, EDITORIALS, RED CARPETS AND OTHER EVENTS

ÁLIS BEAUTY

ABOUT US

ALIS BEAUTY Concierge
is a unique service for special occasions.

A professional international beauty team of makeup & hair artists for events of any scale — from private events and photo shoots to large-scale events.

Our key distinction is that we work in any location. We set up a complete premium beauty service wherever the guest needs: in a hotel, a country house, on a film set, or anywhere else.

We work with our own professional equipment, including lighting, and take care over every detail — from the functionality of each work station and matching staff uniforms to the atmosphere our guests steps into.

A premium mobile service
for weddings, editorials,
red carpets and other events

OFFER

- A turnkey solution, on-location premium beauty salon in any location: makeup, hairstyling, skincare, and brow shaping before the event
- A large international beauty team working with the bride, the guests of honor, and event guests, models, and celebrities — from a single person to large groups
- A distinctive level of service and professional-grade materials in our work with guests
- A clear preparation schedule and make style concepts, seamless coordination within the tight schedule of a wedding day or any other event, accounting for every detail
- Experience working on photo and film shoots — a clear understanding of what photographers and videographers need from a look in front of the camera

REFERRAL PARTNERSHIP PROGRAM

We offer partnership to everyone who regularly works with brides, guests, and clients who may need a makeup artist or stylist: wedding agencies, event planners, photographers, videographers, and other partners.

Partner	Format of cooperation
Wedding agencies	Recommend ALIS BEAUTY to your clients as a trusted beauty partner for the wedding
Photographers	Recommend us to clients for photoshoot — a guaranteed camera-ready result, familiar with the demands of the lens
Videographers	Recommend us to clients whose look needs to hold up equally well on video throughout the entire day
Event planners and other specialists	Recommend us to clients who need a makeup artist/stylist as part of organizing an event

REFERRAL REWARD

Every partner who recommends ALIS BEAUTY to their clients, where that recommendation leads to a booking, receives 10% of the value of the services rendered as a thank-you for the referral. We would also be delighted to prepare you personally — on special terms — for the event you are working on or organizing.

- No obligations and no exclusivity — recommend us at whatever pace suits you
- A transparent commission calculation for every completed booking
- A long-term partnership — the more successful referrals, the stronger the collaboration.

WHY US

- Premium-quality results — confidence that the client will be delighted and your reputation will not suffer
- On-location service anywhere, with experience working under a wide range of conditions and time constraints — removing the logistical headache from the client and the organizer
- Professional service and premium materials — quality control at every stage, along with attentive handling of every guest request
- Experience working with photographers and videographers— a look that holds up equally well in person and on camera
- The ability to work within a tight, precise schedule
- A professional team available not only across Russia, but internationally as well
